Re: Special opportunity for high school students to attend ND Vision

Again for 2009, the Diocese of Fort Wayne-South Bend and the University of Notre Dame have received a generous grant from the Our Sunday Visitor Institute that will allow a limited number of high school students who live in our diocese to attend ND Vision at a significantly reduced rate.

ND Vision is a summer conference that welcomes high school students from across the country into an experience of discovering the God's call in their lives and the gifts with which to respond to that call. More than sixty Notre Dame students are trained as counselors and musicians for the program – this talented group is responsible for leading small groups, giving talks, and providing the primary music for the program, including three mini-musicals written specifically for ND Vision. Nationally known speakers and musicians join these Notre Dame students to lead this dynamic program.

**With the financial assistance made available by Our Sunday Visitor, the first 50 students from the diocese to register for ND Vision will pay a total of only \$100 for the program** (the full regular price is \$400). Registration includes meals and lodging on Notre Dame's campus from Monday through Friday, in addition to all activities, a t-shirt, program booklet, and more. Participants may attend any of the programs four sessions in 2009, which include June 15-19, June 22-26, July 6-10, and July 13-17.

To take advantage of this special offer, applicants are instructed to send completed ND Vision applications (available on the program's website) and a **check made out to the Diocese of Fort Wayne-South Bend in the amount of \$100 to Cindy Black, Office of Youth Ministry, 915 S. Clinton, Fort Wayne, IN 46802**. Again, this offer is only available for the first 50 students from the diocese to submit their applications and discounted registration fee. **Priority will be given to those who have not attended ND Vision in prior summers if applications are received by March 2, after March 2, scholarships will extend to those who have attended ND Vision in past summers.**

We invite you to consider this special opportunity. For questions about the ND Vision program, please call (574) 631-7425 or email [ndvi@nd.edu](mailto:ndvi@nd.edu). Applications and other information are available on the program's website: [vision.nd.edu](http://vision.nd.edu).
